

Welcome to The Crestwood School District's Parent Connection

A GREAT WAY FOR A PARENT OR GUARDIAN TO STAY INFORMED

Zangle's ParentConnection is a web site that provides parents and guardians with direct access to student data via the Internet. Using a confidential PIN (personal identification number) and password, parents can connect to the school district's student database of information using a web browser, such as Internet Explorer, to view their student's progress reports, attendance records, report cards, transcripts, and more. ParentConnection allows the parent or guardian to view, in one session, data on all their enrolled dependents at Crestwood High School and Riverside Middle School.

If you need to obtain access information, PIN and password, for ParentConnection and you have a student at:

Crestwood High School contact:

Mrs. Tata (313) 278-0900 or ltata@csdm.k12.mi.us

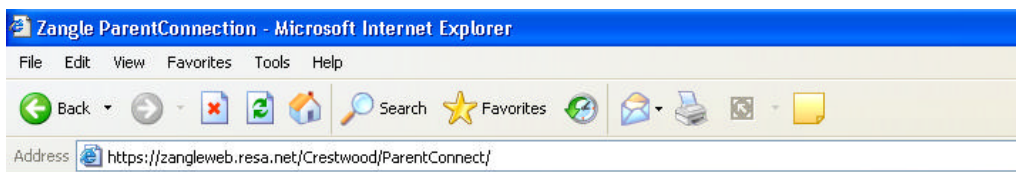

Riverside Middle School contact:

Mrs. Kruse (313) 274-6792 or dkruse@csdm.k12.mi.us

ParentConnection is currently only available for Crestwood School District Middle and High School Students.

Refreshing data pages

Data viewed in ParentConnection is "live"; therefore it may be updated as the school's staff enters it, while you are viewing. New data posted during a viewing session may not be visible to the user until the page is refreshed or renewed by reloading the current screen. There are three ways to refresh a data page:

- o Click on a different link and then return to the original link
- o Click the Refresh or Reload button in your browser
- o Press the F5 function key on your keyboard

Printing Note:

When printing student information data found on any of the pages, be sure to first place your cursor in the middle of the page and click once. Because of this web site's construction, not doing this may cause printing of a blank page.
