The established Pay to Participate fees for school year 2011/2012 are:
\$75.00 fee per sport for High School participants (third sport free)
\$50.00 one-time annual fee for Middle School participants

1. Payment and application **MUST** be made prior to the first day of try-outs or practice. **Athletes are not allowed to try-out or practice until payment and application are made to their respective coach.**
2. Please make your payment by check or money order payable to Crestwood School District. Your cancelled check will serve as your receipt. **We are sorry, but cash will not be accepted.**
3. Participation applications must be submitted to the respective coach by each athlete that applies for membership on a team.
4. If the athlete is selected for the team (is not cut), the application and payment will be forwarded to the athletic office for processing and the payment will be forwarded to the central office for deposit.
5. If the athlete is not selected for the team (is cut), the application and payment will be returned by mail to the address listed on the application.
6. Fees are not refundable unless a student is not selected (for teams where such eliminating is done), or if a team is cancelled because the number of participants does not meet the established minimum number required. Voluntary withdrawal or lack of playing time will not be the basis for refunding fees.
7. The fee will not be refunded or pro-rated for an athlete who becomes ineligible during the season, when an athlete is removed from a team for disciplinary reasons, when cancelled contests cannot be rescheduled, or when a full allotment of games cannot be scheduled. In addition, I understand that the number of scheduled contests may vary from level to level and from school to school.
8. If a fee payment does not clear the bank, the athlete will be suspended until the payment can be rectified. The applicant is then responsible for the processing fee from the banking institution.
9. Participants are required to have an athletic physical on file in the Athletic Office before taking part in try-outs or practice. **This physical must be dated April 15, 2011 or later and be on an MHSAA physical form.** You can find this form in the middle school or high school front offices as well as the school website.

I have reviewed the “Pay to Participate Program” and understand that the fee I am paying (\$75 for High School Applicants or \$50 for Middle School Applicants) does not guarantee playing time beyond the time specified, control over any conditions of the team, and is not refundable except as indicated. I also understand that paying the fee does not alter the Student Policies of the Crestwood Board of Education, the Athletic Code of Conduct, the regulations of the Michigan High School Athletic Association, and individual team rules.
