June 23, 2020

Dear Kinloch Students, Staff, Families and Community Members:

It is with great pleasure and excitement that I write this letter to you as the newly appointed Principal of Kinloch Elementary School. I am absolutely honored to have the opportunity to lead an extraordinary school learning community where teachers, students and parents are actively engaged in making excellence happen every day.

I have been dedicated to the field of education for more than 20 years and have spent the majority of my professional career working with elementary school students. Prior to being appointed Principal of Kinloch, I served students as a classroom teacher, instructional coach and acting assistant principal within Dearborn Public Schools. During my leadership path, I have had the opportunity to develop strong relationships, create a positive school culture and implement best practices to meet the needs of students and provide the best academic experience. In addition to a variety of leadership experiences, I bring to Crestwood a commitment to the success of all students, a desire for the development of excellence in learning and the drive to do my best each and every day.

I look forward to learning more about each one of you as we work together to continue a positive, engaging and rigorous learning environment. Upholding the mission of Kinloch Elementary School in “ensuring an educational foundation for all students, along with promoting a healthy, social, emotional and child-friendly atmosphere by offering multiple learning opportunities to meet the needs of each individual child” will be of greatest importance.

There is no other profession as rewarding as working with children! I appreciate and look forward to sharing the opportunity of making OUR school the best it can be. I genuinely hope each and every one of you enjoys a relaxing summer. Please feel free to call or email me over break as I am eager to get to know each one of you. Take care, be safe and GO KOALAS!

Sincerely,

Jill Marvaso
Principal
Kinloch Elementary School
